BY TONY QUESADA

Editor-in-Chief, San Antonio Business Journal

The San Antonio Business Journal today recognized the 2016 Outstanding Lawyers Awards winners.

The awards went to 12 men and women who exemplify the best of San Antonio's legal community. This year's winners represent a diverse cross-section of the local legal sector, with practices that cover an equally wide range of disciplines. But they share a few things in common, including impressive track records of results for their clients and positive impacts on their organizations, industries and communities.

The awards were given out during a luncheon at Pearl Stable.
